

Thesis Submission Procedure

With effect from 22 June 2016, all Research Students (MEng/PhD) in School of Electrical and Electronic Engineering (EEE) who are submitting thesis in a form ready and acceptable for examination to supervisor for endorsement should follow the **Process (A)** and **Process (B)** as stated below.

The student must adhere to the instructions listed in process (A) and process (B) **concurrently** to avoid delay in thesis submission process as the documents are **mandatory** for school to process the thesis to Office of Academic Studies (OAS).

Process (A): Submit **Thesis in a form ready and acceptable for examination** via **Thesis Submission System** (Gslink → Academic → Thesis → Thesis Submission)

1) Please get ready the following documents before using Thesis submission system.

- i. Thesis (*Ensure it is in the correct thesis format as stated in the [Research Student Handbook](#) and the sample can be found at the next page of this document*)
- ii. Abstract of thesis (*Not more than 150 words*)
- iii. Official Receipt of the Examination Fee (*Students admitted before Aug 17 are required to make payment for thesis exam either personally at One Stop@SAC or make the payment [online](#). For students admitted on Aug 17 onwards, they are not required to upload the official receipt as the fee is included in student's billing.*)

Note: If the thesis title in your uploaded copy is different from the title reflected in the Thesis submission system, kindly input the new title in the pop – up window. For more information, you may refer to the Student User Guide in the system.

For student admitted before Aug 17 can refer to [Thesis General Information](#) for the amount of thesis examination fee. Please take note the receipt of examination fee must contain the payee's name, the amount paid and the fee is being paid for thesis exam.

Process (B): Submit **Thesis Declaration** via **Thesis Declaration E-Form** (Obtainable from [GPO Intranet](#)) to Supervisor.

1) Please get ready the following documents and attach them to the Thesis Declaration E-Form.

- i. Turnitin Report in HTML format (*You may refer to [GPO Intranet](#) for Turnitin Assignment Guideline. For thesis containing confidential information, student may use iThenticate to generate the similarity report.*)
- ii. Certificate on the completion of the Online Research Integrity Course (*Obtainable from [NTULearn](#)*)
